Generation 1:

I think this item is faulty because it doesn't fit. When putting the lid on it the banding is broken in. This has been a couple of weeks and I've lost my bandings, and these have not had any wear. I do

Generation 2:

I think this is bad, and I have yet to see this before

Generation 3:

I think the shampoo is defective. I also think it smells like oil or something and the color looks like this.
