Generation 1:

A friend of mine suggested me to try an RTS for my kids and I was quite excited. After playing for a few days I thought this game would be great! But after a lot of playing it has turned me down. I need to see what the next games look like.

Generation 2:

A friend of mine suggested me to try this game. I've played it over the years. It's actually pretty fun, I think. The only problem is there's no way to earn money in the game and don't want people to start asking about their choices. Besides, it's

Generation 3:

A friend of mine suggested me to try and make the game more realistic. After a lot of playtesting, I decided to put the idea to the test. I went to school and had a whole bunch of fun with it. In the early 1990's, the NBA was on the market
