Generation 1:

I think it's a great purchase because I have a lot of batteries and a light weight. I use it for my portable television set.

Generation 2:

I think the price is the best and it's very easy to put the case in my car. It is sturdy, and works with my iPhone.

Generation 3:

I think this product is going to help with my daughter's iPad. I'm very happy with it because it really helps to have a pair of headphones to listen to music while playing games.
