Generation 1:

A friend of mine suggested me to try this product. I'm a leather bound artist, so my current canvas is a few inches square in size. This is the perfect length for my 3-year-old daughter to hold her toys in as they're held. She loves it!

Generation 2:

A friend of mine suggested me to try the Blue Moon with the same water stain she used, but she couldn't find the right stain. I tried the gel that I used. She even tried it in a bottle. I tried using a paper bottle with blue paint and it just wouldn't

Generation 3:

A friend of mine suggested me to try and get some of the Noodler's Ink to use a converter to get the ink to work correctly. This has to be one of my main complaints: the color quality is awful, especially for using a pen with the converter. The converter works
