Generation 1:

A friend of mine suggested me to try the brand new, the super-smooth fabric and I thought I'd try it, but it took me way too long to get the perfect feel in the waist. It was definitely not enough to have it perfect, so I bought it. I

Generation 2:

A friend of mine suggested me to try some of these, and I tried my waist size. I found that they did what it was supposed to do. It's a comfortable waist, but I got a bit wet. You get the idea. What does the padding do, when I wear

Generation 3:

A friend of mine suggested me to try this on. I have a really big body and so I was worried about the shape of it because it would make me look smaller (although it did work for me, it's small, but not so it was a little too small to actually fit
