Generation 1:

I am so irritated and furious at the government. These politicians are so afraid to stand up for themselves that they are willing to do anything they can to silence their critics. You will get them. I would hope they will pay the price for their own dishonesty.

Generation 2:

I am so irritated and furious at the government. These politicians are so much into the US's role as their nation. The people do not have the right to stop it all. They need to give this a real shot. It will work for the people and their money to buy the seats, then. If it does

Generation 3:

I am so irritated and furious at the government. These politicians are so ignorant and self-obsessed about the plight of their country. We should call them communists. This is what the party was founded on. They believe they know more than most of us. Do you know who I am? They know that the entire
