#### Generation 1:

I am so irritated and furious at the government. These politicians are so inept that they are going to kill us all if we didn't pay attention.

And it is only a few more stupid assholes from the far left who have been getting so screwed because of the stupid stupidity of these dumb stupid Republicans.

#### Generation 2:

I am so irritated and furious at the government. These politicians are so much more than thugs and thugs. They are thugs who have no respect for human life and the people of Africa. This is a disgrace. No wonder the United States is being robbed of its future. We need your help to save these disgusting, pathetic

#### Generation 3:

I am so irritated and furious at the government. These politicians are so stupid! I do not have any other choice but to support your bullshit. And don't waste your time getting rid of a retarded idiot.
