Generation 1:
I think this dress is a pretty good dress. The sleeves are very tight and fit quite well, plus the lace is comfortable! I will purchase a pair again for a future date and I do have to wear it a week or two before.

Generation 2:
I think I got this for my daughter after shopping at the mall. It is so cozy, it doesn't feel tight around her arms. The price is amazing for what it looks like.

Generation 3:
I think I'm getting this suit. I was not expecting it to be too flattering and it looks just like an everyday fit. It's not long, but it will be comfortable to wear it for an office or a conference.
